## A GUIDE TO MAKING A FAITH AND FINANCIAL COMMITMENT...

*Why make a proportional gift?* Recently retired Bishop of Olympia, the Rt. Rev. Greg Rickel, stated that the tithe is only the beginning point. As Christians we give one hundred percent of what we have in gratitude for God who gave us everything there is. We're all in.

*When you make a proportional gift:*

- You set aside your first fruits, dedicating a portion of your wealth, works, and wisdom to God. This is a sacred act.
- Your financial gift rises and falls with your income – it is right-sized to your household. Giving back to God is a life-time journey; setting a percentage allows you to step up your giving over time.

Many parishes advocate proportional giving, which is determining what percentage you are giving now (whether it is a share of gross or net income is between you and God) and then raising the percentage given to ministry each year. This discipline offers us freedom from the hold that loving money and material possessions has on us. **The table below shows how to begin.** Proportional giving is intentional, and any kind of intentional giving of ourselves to God always rewards us beyond anything we can expect or even imagine.

Annual Income	Weekly Income	Beyond the Tithe		Tithe	Weekly Proportional Giving
